

Efficient 2019

10th IWA Conference on Efficient Urban Water Management

January 13-16, 2019
Manila, Philippines

www.efficient2019.org

The Conference

EFFICIENT 2019:
The 10th IWA Specialist Conference on
Efficient Urban Water Management

With the theme *Water Efficiency – Driving Sustainable Development*, the conference will gather water and wastewater professionals to reflect on shared challenges and promote efficient solutions.

The Conference

EFFICIENT 2019:

A landmark event comes to Manila!

- 10th anniversary of the biennial IWA Efficient conference series.
- First time in Southeast Asia since the Efficient series was inaugurated in 2001.
- Features the first international Emerging Water Leaders Forum in the Philippines.
- Maynilad's second hosting of an IWA specialist conference after Water Loss 2012.
- Global gathering of 500 water efficiency experts, industry leaders, and decision makers.

Venue: Marriott Grand Ballroom
